Subject: Extension For FOIA Request EPA-HQ-2015-002846

FOIA Request: EPA-HQ-2015-002846

This letter concerns your Freedom of Information Act (FOIA) request EPA-HQ-002846 dated 01/05/2015, requesting Underground Storage Tank (UST) and Leaking Underground Storage Tank (LUST) data. As authorized under FOIA 5 U.S.C. § 552 (a)(6)(B) an extension of time is required to respond to your request. The reason for this extension is the need to compile the information from our regional offices.

You may expect a reply by February 26, 2015.

If you have further questions regarding your FOIA request, please contact me at (703) 603-7172 or worley.ray@epa.gov.

Thank you,

Ray Worley, Director
Management and Communications Division
Office of Underground Storage Tanks
